for a period of one year but that the same was stopped on the expiry of that period. The Palace officer does not assign any reason for the stoppage of the rice allowance.

AU/28/9/07 Submitted for orders

The rice allowance was, I think, rightly stopped on the death of Peru's mother. She drew the rice allowance for 30 years and her children must all be grown up people now.

The Palace Officer has already been carefully revising the lists of these rice allowances as the expenditure is largely exceeding the Faslik allotment owing to the high prices of food grains. Hence these complaints.

The petn may be rejected.
